Stealth Color-Select Linear Pendant

By AFX

Description

The Stealth Linear LED Pendant by AFX is a stylish contemporary fixture with a long, striking profile made up of strong lines with an understated vision. Centered on an integrated LED light with a white diffuser, it's framed in black metal with a squared mounting plate for a modern outcome. This fixture is powered with 120V connectivity for easy installation. Add depth and warmth to countertops, kitchen islands, dining tables, studios, and more. Includes a switch for selectable color temperature: 3000K/3500K/4000K.

Shown in satin nickel / white
