## Vaportite Color-Select Strip Light

By AFX

### Description

The stylish and modern Vaportite Linear by AFX is crafted with a flush mounted polycarbonate frame in white that houses bold and bright LED light fixture. It features a matching white poly shade that softens the light and distributes that illumination evenly throughout the room. It's a must have finishing touch for both home and work, including studios, workshops, home offices and more. A switch allows you to change the color temperature of the light between 3000K/4000K/5000K. 0-10V dimming.

Shown in gray / frosted
