Type 75 Mini Table Lamp

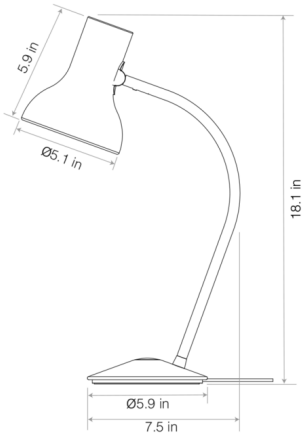

By Anglepoise

Description

The Type 75 Mini Table Lamp features the same precision shade as Anglepoise's Type 75 lamp series, with an updated, sleekly curving steel neck. The angle of the shade can be tilted up or down, making it perfect for providing light anywhere a lamp with a small, neat profile is needed. The on/off switch is located on top of the cast iron base.

Shown in mole grey
