Millie Bath And Vanity Light By Corbett Lighting

Description

The Millie Bath and Vanity Light features a luxurious piece of Spanish alabaster that is set within a subtly waxing and waning frame of vintage brass or burnished nickel. While the alabaster is gorgeous unlit, it comes to life when lit, filling the fixture, and the room, with a warm, inviting glow. Can be mounted horizontally or vertically. Note: This fixture does not mount to a standard junction box - a 2x3 inch junction box is required. Each piece of alabaster is unique, containing its own character with natural veining patterns. As a result, we cannot guarantee each piece will match.
