

BRANDCorbett Lighting

DESCRIPTION

The Havana Wall Sconce features a vintage brass finish and Spanish alabaster shade that take the starburst form to the next level. The alabaster shade creates a golden glow that shines on to each of the brass arms creating an explosion of light. This flush mount and sconce will be the focal point in any room. Each piece of alabaster is unique, containing its own character with natural veining patterns. As a result, we cannot guarantee each piece will match.
