Patras Chandelier

By Corbett Lighting

Description

The Patras Chandelier features smooth, Spanish alabaster shades framed in burnished nickel or vintage brass that appear to delicately float on the wall. The elegant, artistic design combined with the alabaster's natural glow instantly elevate any space. Each piece of alabaster is unique, containing its own character with natural veining patterns. As a result, we cannot guarantee each piece will match.

Shown in vintage brass / alabaster
