Climber 175 Outdoor Wall Sconce By FLOS

Description

Experience illumination that reaches new heights with the Flos Climber 175 Outdoor Wall Sconce. This minimalist light box is designed to cast light elegantly high up your walls, creating a striking architectural effect for any exterior. Its simple geometric body is precision-crafted from low copper die-cast aluminum, ensuring superior durability and resistance to harsh outdoor conditions. The robust powder coat finish provides exceptional strength and resilience against heat and UV radiation, guaranteeing lasting beauty. Further enhancing its performance, the Climber 175 features glass-protected optics that effectively minimize glare while maximizing visual comfort, delivering a clear and inviting light. An integral non-dimmable LED driver ensures consistent, reliable illumination. Please note that the uplight/downlight 4000K fixture with a 72-degree beam angle is not available in Forest Green, offering tailored options to perfectly suit your outdoor aesthetic and lighting needs.
