Welles Wall Sconce - Overstock

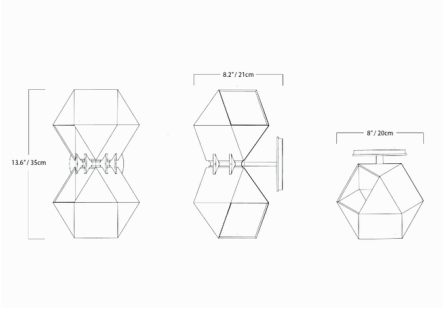

By Gabriel Scott

Description

An intricate design process in which colored glass is blown within a clear glass envelope, the WELLES double-blown glass diffuses a soft light filtered through its translucent facets. A polygonal shape with polished sharp edges, the WELLES is a glistening gem. Dimmable via Triac or electronic low voltage (ELV) dimming.Note: Low Voltage option must use 24V LED Driver, sold separately.

Shown in satin brass
