## Lago Ceiling Light

By Hudson Valley Lighting

### Description

The Lago Ceiling Light features a round shade that is made of a thick piece of hand-blown piastra glass, each with a unique, opaque Blonchino at the center. Mounted close to the ceiling, light fills the shade and reflects off the ceiling back into it, creating a mesmerizing, almost motion-like glow. The decorative aged brass finial adds to the piece's distinctive design.

Shown in aged brass / white
