Brim Pendant

By Hudson Valley Lighting

Description

The Brim Pendant features a traditional pendant rod that is replaced by a trio of thin wires that suspend the soft white plaster shade from the canopy. The wires extend below the shade, allowing the opal glossy globe to hover beneath, rather than rest inside the shade. This unique design allows light to fully flow from the globe and also reflect off the gold leaf shade above.

Shown in gold leaf / soft white / opal glossy

Specifications

COLOR Opal Glossy
BODY FINISH Gold Leaf / Soft White
WATTAGE 12W
