LP Grand Wall / Ceiling Light

By Louis Poulsen

Description

The LP Grand Ceiling Flush Light brings a clean decorative look to your interior space. A large angled reflector encircles the diffuser, to distribute light at a broad angle. The outer shade creates inter reflection light, casting a warm graceful glow around your room. This beautiful piece creates four rings of light surrounding the central diffuser. Integrated 120V/277V LED driver, dimmable with a 0-10V dimmer, sold separately.
