DESCRIPTION

The Tearoom Sofa features a timeless silhouette that is inviting without being overly casual. Inspired by the curved frame of Charles Rennie Mackintosh's 1904 Willow Chair, this piece features a gently curving back and sides over plywood and foam construction, ensuring it is as comfortable as it is stylish. The high back provides privacy and adds a comfortable, intimate feel. The Tearoom Lounge Chair would make a striking addition to both period and contemporary hotels, lounges, or even private residences. Available with or without USB and AC power outlet.
