Bough Pendant By Modern Forms

Description

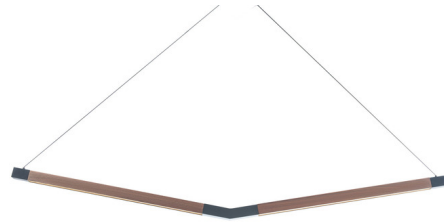

The Bough Pendant combines rustic charm with clean contemporary lines for a striking look suitable for modern offices, dining areas, and other residential and commercial settings. Extruded aluminum and a natural wood grain form this modern rendition of a bent branch, and light shines out from underneath through polycarbonate diffusers. The fixture is supported by inconspicuous electrified cables to maintain the minimal aesthetic. Dimmable with a TRIAC, ELV, or 0-10V dimmer, sold separately.
