Swerve Wall Sconce

By Modern Forms

Description

The Swerve Wall Sconce features an aluminum band wrapped around into a sleek ring profile. Finished in dark Bronze with a contrasting painted Brushed Brass interior or Brushed Nickel, the Swerve is a dash of modern style for your space, whether illuminating an entryway or installed as a pair to brighten a living room. Light radiates through a silicone diffuser, highlighting the ring interior and providing ambient illumination. It can be mounted horizontally, vertically, or in any other orientation. Dimmable with a TRIAC, ELV, or 0-10V dimmer, sold separately.
