Vander Color Select Horizontal Wall Sconce By Modern Forms

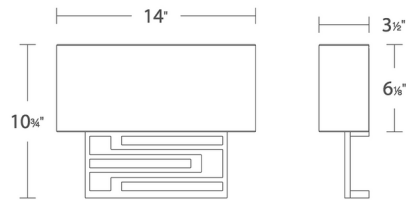

Description

The Vander Horizontal Wall Sconce features a bold geometric design composed of die cast aluminum metalwork topped with a woven fabric shade. With the shade and polycarbonate diffusers softening the light, this sconce brings comfortable ambient illumination along with modern elegant style to your bedroom or living room. The fixture comes pre-set to the color temperature ordered and can be adjusted to 2700K, 3000K, or 3500K using a switch inside the fixture to create the right mood for your setting. It uses a driverless AC LED system and is dimmable with a TRIAC or ELV dimmer, sold separately.

Shown in brushed nickel / ivory
