Acropolis Bathroom Vanity Light

By Modern Forms

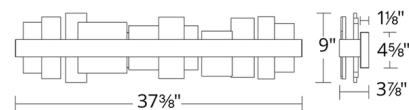

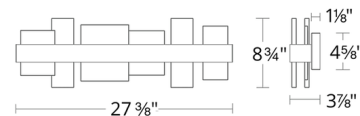

Description

The Acropolis Bathroom Vanity Light features illuminated Spanish alabaster plates displayed behind a sleek metal band. Contrast between the straight-lined geometric design and the natural veining that flows through the stone creates a unique modern look for your bathroom or powder room. This fixture can be mounted horizontally or vertically. It uses AC LED driverless technology and is dimmable with a TRIAC or ELV dimmer, sold separately.

Shown in aged brass / alabaster
