## Barre Color Select Bathroom Vanity Light By Modern Forms

## Description

The Barre Color Select Bathroom Vanity Light is minimal in style yet delivers ample flattering illumination above or alongside a vanity in residential, commercial, and hospitality environments. The sleek frame is made of aluminum and fitted with an etched polycarbonate diffuser. The Barre can be installed vertically, horizontally, or in any other orientation. The light is pre-set to the color temperature ordered and can be adjusted to 2700K, 3000K, or 3500K using a switch inside the fixture. Equipped with a driverless AC LED light system, the fixture is dimmable with a TRIAC or ELV dimmer, sold separately. Note: A conversion plate is included to accommodate a 4 inch junction box.
