

BRAND Modern Forms

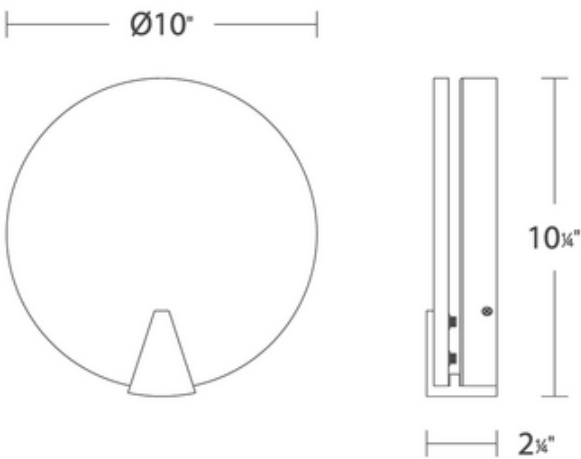

DESCRIPTION

The Ophelia Wall Sconce brings the beauty of natural Spanish alabaster into your space. LED light shines through a glass diffuser, illuminating the stone and highlighting its unique veining and color variation. The spun aluminum frame complements the stone with its sleek finish and modern triangle accent. This sconce can be mounted pointing up, down, or in any other orientation. It uses an AC LED driverless system and is dimmable with a TRIAC or ELV dimmer, sold separately.
