Dusk Outdoor Wall Sconce

By Modern Forms

Description

A blend of rustic charm and modern minimalism, the Dusk Outdoor Wall Sconce features handsome dark walnut wood paneling on a black aluminum frame. Light is diffused by a silk-screened glass diffuser, providing even illumination for any indoor or outdoor setting from hallways and bedrooms to front entrances and patios. This sconce uses AC LED driverless technology and is dimmable with a TRIAC or ELV dimmer, sold separately. The genuine wood weathers differently over time depending on care, maintenance, exposure and climate.
