Midnight Color Select Outdoor Wall Sconce

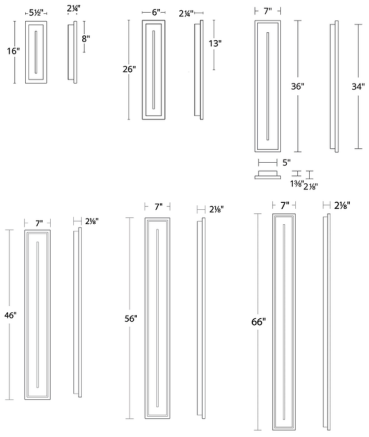

By Modern Forms

Description

The Midnight Outdoor Wall Sconce delivers ambient illumination and a sleek visual statement. Light shines out of the black metal frame through a narrow front slit and wide side edges, softened by mitered glass diffusers. With its clean, tailored design, the Midnight works well for front entrances, hallways, and patios of varying design styles. This sconce comes pre-set to the color temperature ordered and can be adjusted to 3000K, 3500K, or 4000K using a switch in the canopy. It is dimmable with a TRIAC or ELV dimmer.

Shown in black / white
