Collins Coastal Smart Outdoor Ceiling Fan

By Visual Comfort Fan

Description

The sleek Collins Coastal Smart Outdoor Ceiling Fan features marine-grade steel housing and ABS blades for withstanding the elements outdoors. Its versatile design can be appreciated day or night, rain or shine, in exterior as well as interior settings. Equipped with a quiet DC motor, this fan is an energy-efficient choice for your home. This smart fan can be controlled through a smart home system or phone using the Bond Home app which offers fan speed adjustment, breeze mode, scheduling, fan grouping and other convenient functions. It can integrate with smart home tech including Alexa/Echo, Google Home, SmartThings, Control4, ELAN and Hubitat. A hand-held remote control is included and enables motor on/off, 6 speeds and reverse. Optional accessories are sold separately.
