Streaming Smart Ceiling Fan with Light

By Visual Comfort Fan

Description

With a sleek 3-blade design and contemporary finish options, the Streaming Smart Ceiling Fan with Light fits perfectly into a range of indoor and covered outdoor settings. The Brushed Steel option features reversible blades, a simple way to update the look of your fan as your decor or the seasons change. Equipped with an LED light and quiet DC motor, the Streaming is an energy-efficient solution that brings a fresh breeze and illumination to living rooms, bedrooms, and enclosed porches. A cover cap is include for use without the light. The fan is ready for your modern lifestyle, able to integrate with Alexa/Echo, Google Home, SmartThings, Control4, ELAN, Hubitat, and other smart home tech. On smart phones, the Bond Home app enables fan speed adjustment, breeze mode, schedules, and other convenient functions. An additional control option is the included hand-held remote control which enables motor on/off, 6 speeds, reverse, light on/off and dimming. Optional accessories are sold separately.
