TruTrack Magnetic 2C Recessed Track Easy Kit w/ End Feed

By PureEdge Lighting

Description

TruTrack Magnetic is a recessed 24VDC 2-circuit easy kit track that is only as thick as the 5/8 inch drywall, eliminating the concern of hitting studs. Constructed of extruded aluminum in power coat White finish. For a complete and clean architectural look, a paintable slot cover is included with TruTrack so only the track head will be visible once installed. Available in lengths from 2 to 30 feet (sold in 2 foot lengths). Kit includes end power feed, straight connector, track slot cover, and end cap(s). Designed for use with a 24VDC Universal power supply up to 40 feet away. Note: Required power supply and heads sold separately.Universal power supply dimmable with TRIAC electronic low voltage (ELV) or 0-10V, sold separately.
