Prismatic Color Select Wall / Ceiling Light By Studio M

Description

The Prismatic Color Select Wall / Ceiling Light presents an intriguing mix of textures, its smooth metal elements layered with a thick prismatic glass shade and prominent leather decoration in the center of the glass. The integrated LED light is concealed to reduce glare while providing ample illumination, and color temperature is adjustable. The 2022 Chicago Athenaeum Museum of Architecture & Design Good Design Award winner.

Shown in natural aged brass / clear ribbed
