Stonewall Wall Decor Sconce

By Studio M

Description

The Stonewall Wall Decor Sconce celebrates the beauty of natural stone, featuring a stone accent panel on its thin oval frame. LED lighting emits a soft glow along the entire length of the oval and provides beautiful backlighting to highlight the stone. Choose the dramatically patterned Striae Arya (recycled marble) for an eye-catching look or the White Alabaster for a more subtle effect.

Shown in black / striae arya
