## Chapeau Hat Tip Wall Sconce

By Studio M

### Description

The playful Hat Tip Wall Sconce is an homage to Parisian brasseries and Dutch modern style. Its Opal White glass globe, emitting a soft glow of LED light, is embellished by a clear glass dome that is tipped like a hat. These combine with knurled detailing at the backplate and a white leather wrap accent to create a chic mix of textures and materials.

Shown in satin brass / opal white
