Crosby Pendant

By Visual Comfort Modern

Description

The Crosby Pendant exudes 1970s Italian flair, featuring glass globes set on staggered brass arms complemented by glossy black rods. For customizing the look, the top ends of the black rods can be styled with or without the included brass tips. This pendant is a stunning addition to a range of design settings from vintage to contemporary, a perfect piece to place over a small intimate dining area or bedside table. It includes a universal driver, dimmable with a TRIAC, ELV, or 0-10V dimmer. The natural brass is a living finish that will patina and warm with age, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
