## Ebell Double Pendant By Visual Comfort Modern

### Description

Inspired by monopoint lights, the Ebell Double Pendant features small domed crystal prisms punctuating the ends of sleek metal tubes. The gleaming clear crystal contains laser-etched interior diffusers, creating two-layer effects and spreading illumination into your space. Use the Ebell as a sleek standalone or hang multiple in a polished arrangement over a bar or kitchen island. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable. The Natural Brass pendant has a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
