Ebell Floor Lamp

By Visual Comfort Modern

Description

A modern take on the torchiere, the Ebell Floor Lamp is topped with a small crystal dome that shines light upwards to provide indirect illumination. The crystal combines a clear exterior with laser-etched frosted interior to diffuse the light. With its strikingly simple silhouette, the Ebell makes a bold statement in contemporary living rooms, offices, and bedrooms. An optional 6 inch extender stem is included to add increased scale. 3-way dimmer switch on cord. The Natural Brass finish will patina and warm with age, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.

Specifications
