Ebell Ceiling Light

By Visual Comfort Modern

Description

The Ebell Ceiling Light explores the evolution of the monopoint through an imaginative modern lens. Punctuating the end of a slim metal cylinder, the gleaming domed crystal prism contains a laser-etched interior diffuser for a two-layer effect. Use this sleek, compact flush mount to illuminate contemporary hallways and closets. It includes a universal driver, dimmable with a TRIAC, ELV, or 0-10V dimmer. The Natural Brass finish will patina and warm with age, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.

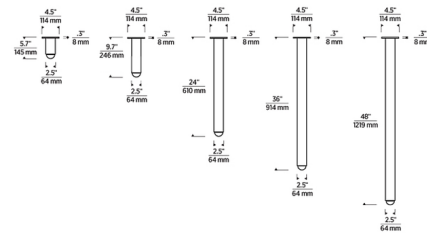

Shown in antique nickel / clear
