Ebell Mini Ceiling Light

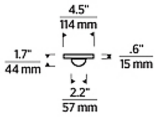

By Visual Comfort Modern

Description

The Ebell Mini Ceiling Light explores the evolution of the monopoint through an imaginative modern lens. The gleaming domed crystal prism contains a laser-etched interior diffuser, creating a two-layer effect. Use this compact flush mount to illuminate contemporary hallways and closets. It includes a universal driver, dimmable with a TRIAC, ELV, or 0-10V dimmer. The Natural Brass finish will patina and warm with age, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
