Ebell Small Pendant

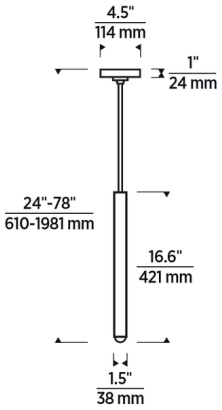

By Visual Comfort Modern

Description

Inspired by monopoint lights, the Ebell Small Pendant features a small domed crystal prism set at the tip of a slim metal cylindrical body. The gleaming clear crystal contains a laser-etched interior diffuser, creating a two-layer effect and spreading illumination into your space. Use the Ebell as a sleek standalone or hang multiple in a polished arrangement over a bar or kitchen island. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable. The Natural Brass pendant has a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.

Shown in natural brass / crystal

Specifications
