Esfera Chandelier By Visual Comfort Modern

Description

The Esfera Chandelier realizes the beauty of elemental materials and spatial symmetries. Crystal cylinder shades are set on a simple metal ring frame that imparts a clean, geometric aesthetic. Each crystal is laser-etched on the inside, offering a multi-dimensional effect as LED light shines through. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable. The Natural Brass option has a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish. Note: The 44 inch fixture requires a junction box rated for fixtures weighing over 50 pounds.
