Langston Pendant

By Visual Comfort Modern

Description

The Langston Pendant is an elegant, organic assembly of vintage-style fluted crystal elements set on a minimal steel frame. Laser etched tubing inside the hand-formed crystal creates layered internal illumination and diffuses the light. The crystal pieces vary in height and can be arranged as you like on the metal frame to create a unique configuration. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable.
