Stagger Linear Pendant

By Visual Comfort Modern

Description

Sleek and minimal in form, the Stagger Linear Pendant blends beautifully with the architecture of a modern space. Its metal frame is fitted with an acrylic diffuser, emitting ambient downlighting suitable for dining tables, kitchen counters and islands. A universal driver is included in canopy, dimmable with a TRIAC, ELV, or 0-10V dimmer. The Natural Brass option has a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
