## Stagger Halo Linear Pendant

By Visual Comfort Modern

### Description

Sleek and minimal yet grand in scale, the Stagger Halo Linear Pendant brings visual interest and energy into a modern space. LED lights and acrylic diffusers run along its metal rectangular frame, casting soft ambient illumination. Two light direction options are available: uplight only, or both uplight and downlight. As it creates a visual canopy, this pendant brings human scale to spaces with tall ceilings and works well over tables, kitchens, and other settings. 50 inch pendant (120-277V): TRIAC, ELV, or 0-10V dimmable. 84 inch pendant (120V): TRIAC or ELV dimmable. The Natural Brass finish will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish. Notes: Does not mount to a standard junction box (cover plate is 3.3 inches in diameter). The driver must be installed in a remote location.

### Specifications

COLOR	N/A
BODY FINISH	Nightshade Black
