Stagger Wall Sconce

By Visual Comfort Modern

Description

The sleek, slender Stagger Wall Sconce blends seamlessly into the architecture of a modern space. LED lighting behind its frame shines through an acrylic diffuser and reflects off the wall, providing indirect ambient illumination. Use it for a clean, contemporary aesthetic in living rooms, bedrooms, and entryways. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable. The Natural Brass option has a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish. Note: The fixture includes a standard backplate and goofplate for an existing junction box, and a concealed mud-in plate for new construction to achieve a more minimal look. For either mounting method, the driver is placed in the junction box.

Specifications

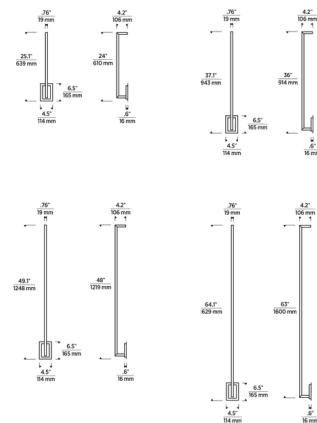

COLOR N/A
BODY FINISH Natural Brass
WATTAGE 19.8W
DIMMER Low Voltage Electronic
DIMENSIONS 4.5"W x 64.1"H x 4.2"D
INTEGRATED LED MODULE 1 x LED/19.8W/120V LED
COUNTRY OF ORIGIN China
