Phobos Pendant

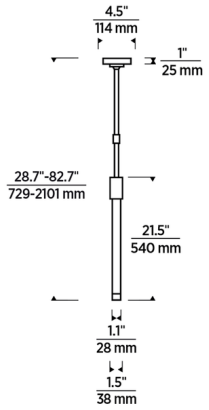

By Visual Comfort Modern

Description

Pared down to a simple, sleek tube of light, the Phobos Pendant is a striking contemporary piece for your space. A laser-etched light guide channel housed in borosilicate glass diffuses the light to provide ambient illumination. Hang it over a small side table, or install multiple over a bar or modern dining space to make an eye-catching statement. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable. The Natural Brass finish will patina over time, developing warm character. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.

Shown in natural brass / clear
