Mamba Pendant By WAC Lighting

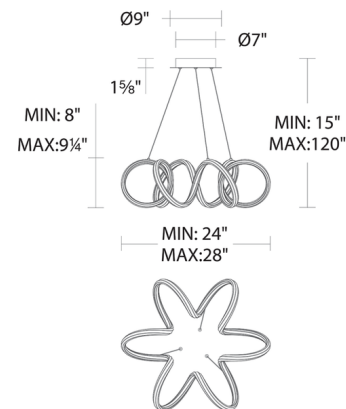

Description

A dynamic scrollwork of LED light, the Mamba Pendant is sure to be a conversation starter. Its undulating aluminum frame is lined with silicone diffusers and hangs gracefully from electrified cables that eliminate the need for chunky power wires. Use it to add ambient illumination and a splash of modern design to dining areas, living rooms, or foyers. Dimmable with a TRIAC or ELV dimmer, sold separately.

Shown in black / white
