

BRAND WAC Lighting

DESCRIPTION

An LED band is elegantly coiled into a ball and displayed inside a contrasting open square frame on the Sinclair Pendant. Made of aluminum finished in gold leaf and a silicone diffuser, the LED element casts an omni-directional ambient glow. The fixture seems to float effortlessly in the air as it hangs on a slim powered aircraft cable. This unique geometric design brings contemporary flair to your space, whether suspended over a side table or arranged in multiples across a kitchen bar or dining table. Dimmable with a TRIAC or ELV dimmer, sold separately.
