Cornice Wall Sconce By WAC Lighting

Description

Bring a dramatic double light into your space with the elegantly curved Cornice Color Select Wall Sconce. It projects an uplight and downlight, providing ambient wall illumination for a range of residential, commercial, and hospitality settings. It can be installed facing up, down, or in any other orientation. It uses AC LED driverless technology and is dimmable with a TRIAC or ELV dimmer, sold separately. Note: Fixture will be preset at selected color temperature but can be toggled between 2700K, 3000K, or 3500K prior to installation via a CCT-select switch in the canopy.
