Duet Wall Sconce By WAC Lighting

Description

The Duet Color Select Wall Sconce delivers an uplight and downlight suitable for illuminating hallways, bedrooms, and entryways. Frosted glass diffusers soften the light, and the sleek aluminum body design blends well into contemporary and transitional styles. It can be installed vertically, horizontally, or in any other orientation. Equipped with a driverless AC LED, it is dimmable with a TRIAC or ELV dimmer, sold separately. Note: Fixture will be preset at selected color temperature but can be toggled between 2700K, 3000K, or 3500K prior to installation via a CCT-select switch in the canopy.
