Nans Outdoor Wall Sconce

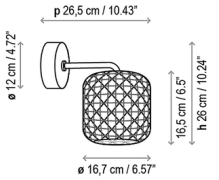

By Bover

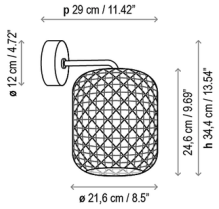

Description

Add a boost of crisp light to any exterior setting with the Nans Outdoor Wall Sconce. The strong steel frame is combined with a hand-woven shade made of recyclable, non-toxic synthetic polyethylene fibers to create a fixture perfect for outdoor use. A polycarbonate diffuser softens the LED light. Brighten up your porch or patio and enjoy a relaxing Mediterranean atmosphere with the Nans. Available in two heights: 10.24 inches (model A/01) and 13.54 inches (A/02). Note: 0-10V dimming is not available for the 10.24 inch fixture.
