DESCRIPTION

Use the Nans M/21/R Portable Table Lamp to bring convenient illumination and a relaxing ambiance to any indoor setting. Its intricate shade is made of recyclable, non-toxic polyethylene strands hand-woven together in a design inspired by the Mediterranean coast. A polycarbonate diffuser softens the energy-efficient LED light, and a push button on the top turns the lamp on/off and switches it to three brightness levels: 33%, 66%, 100%. This cordless lamp includes a USB charging cable, charges in 7 hours, and operates for 12 hours at full brightness when fully charged.
