Nans Outdoor Portable Table Lamp

By Bover

Description

Create a relaxing, well-lit outdoor space wherever you go with the Nans Outdoor Portable Table Lamp. Featuring a handcrafted shade made of recyclable, non-toxic polyethylene strands woven together complemented by a teak wood handle, this light channels the nature and relaxed atmosphere of the Mediterranean coastline. A polycarbonate diffuser softens the energy-efficient LED light, and a push button on the top turns the lamp on/off and switches it to three brightness levels: 33%, 66%, 100%. The rechargeable cordless version includes a USB charging cable, charges in 7 hours, and operates for 12 hours at full brightness when fully charged. Four size/power options are available: 15.94 inches height corded (model M/41), 15.94 inches height cordless (model M/41/R), 19.06 inches height corded (model M/49), and 19.06 inches height cordless (model M/49/R).

Specifications
