Nans Outdoor Sphere Ceiling Light 120V By Bover

Description

Named for Cala Nans, a small cove in the Mediterranean Sea, the Nans PF/60 Outdoor Sphere Ceiling Light channels the nature and relaxed atmosphere of the Spanish coast. The hand-woven shade made of recyclable, non-toxic polyethylene offers handcrafted appeal and durability for outdoor environments. A polycarbonate diffuser inside the shade softens the LED light. The Nans is perfect for creating a relaxing vibe in residential patios and decks or restaurants and other commercial applications.
