Nans Outdoor Large Sphere Ceiling Light 120-277V

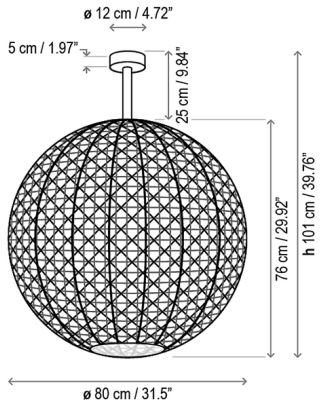

By Bover

Description

Named for Cala Nans, a small cove in the Mediterranean Sea, the Nans PF/80 Outdoor Large Sphere Ceiling Light channels the nature and relaxed atmosphere of the Spanish coast. The hand-woven shade made of recyclable, non-toxic polyethylene offers handcrafted appeal and durability for outdoor environments. A polycarbonate diffuser inside the shade softens the LED light. The Nans is perfect for creating a relaxing vibe in residential patios and decks or restaurants and other commercial applications. 120V: TRIAC dimming. 120-277V: 0-10V dimming.

Shown in graphite brown / red
