Nans Outdoor Plug-In Pendant By Bover

Description

Bring a touch of Mediterranean charm to your outdoor space with the Nans S/16/H Outdoor Plug-In Pendant. With a handcrafted shade made of recyclable, non-toxic polyethylene strands woven together, this light channels the nature and relaxed atmosphere of the Spanish coastline. Light is softened by a polycarbonate diffuser inside the shade. Hang the Nans above your outdoor lounge area, or wrap it around a wall bracket to create a wall sconce. Note: The wall bracket pictured is not included.
