Nans Outdoor Pendant

By Bover

Description

Named for Cala Nans, a small cove in the Mediterranean Sea, the Nans Outdoor Pendant channels the nature and relaxed atmosphere of the Spanish coast. The hand-woven shade made of recyclable, non-toxic polyethylene offers handcrafted appeal and durability for outdoor environments. A polycarbonate diffuser inside the shade softens the LED light. The Nans is perfect for bringing warm, refreshing light into a range of residential and commercial settings from patios and cabanas to lounges and restaurants. Available in four heights: 6.5 inches (model S/16), 9.75 inches (S/21), 12.09 inches (S/31), and 17.99 inches (S/31.2). Note: 0-10V dimming is not available for the 6.5 inch fixtures.
