Nans Outdoor Large Sphere Pendant 120-277V By Bover

Description

Take your outdoor lighting up a notch and add a layer of depth with the Nans S/80 Outdoor Large Sphere Pendant. The shade is made of recyclable, non-toxic polyethylene strands, with multiple colors hand-woven together, offering texture and durability for outdoor use. A polycarbonate diffuser set in the shade softens the LED light. The Nans is perfect for bringing warm, refreshing light to your deck or patio, or for creating inviting scenes in outdoor lounges and restaurants. 120V: TRIAC dimming. 120-277V: 0-10V dimming.
